

code to hope

Our **mission** is to fight poverty by giving future leaders the tools they need to empower their communities.

how can you help?

volunteer your

1 funds

Monetary donations will allow us to source technology, grow and establish our team of educators and other costs associated with shipping and running programs. You can donate on our website : www.codetohope.org

2 devices

Devices such as computers, tablets and smart phones are going to be sent to our partner communities in Benin and we hope to expand our reach further to neighboring countries in the future. To donate email us at contact@codetohope.org and we will arrange a pick-up date and location.

3 time

Code to hope participates in community events to bring awareness to our organization. If you would like to get involved in various initiatives Code To Hope hosts, reach out to contact@codetohope.org and we will share any upcoming opportunities.
